## STOP the Cambridge Congestion Charge

East Cambs

Conservative Group

89% of East Cambs residents that responded to our surveys are against the Cambridge Congestion Charge. Conservatives across Cambridgeshire are fighting to STOP the Charge. Cambridgeshire Lib Dems, Labour and the Independents are working together with the Labour Mayor to force the £5 to £50 daily charge on East Cambs residents to get to work, education and Hospital. Lib Dems and Labour voted to block a referendum to give the decision to the people of Cambridgeshire.

### OUR RECORD

- ✓ Provided suggestions for alternatives

## **FIX our roads**

## **KEEP Council Tax low** **KEEP delivering great services**

East Cambs Conservatives run a well managed budget, whilst continuing to support residents and deliver high quality services. Setting up East Cambs Trading Company has benefited the Council by £3.6m helping to keep costs low. Lib Dems at the Council voted against Council Tax freezes.

### **OUR RECORD**

- ✓ Frozen the District Council element of Council Tax for 10 years; no cuts to services; new investments into services and infrastructure
- ✓ Delivered £3.6m support to our budget through East Cambs Trading Company which runs Ely Markets, Parks & Open Spaces, and builds new affordable homes for local people together with Community Land Trusts

## FREE car parking

East Cambs Conservatives promise to keep car parking free in our town and city centre Council car parks. We have worked with the Police on a new enforcement role to tackle illegal parking and speeding. The new Road Safety Police role is akin to that of Special Constables and they will be able to capture evidence that will lead to fines for illegal parking and speeding. Lib Dems will need to bring in parking charges for their expensive, irreversible, inefficient on-street enforcement plan.

### OUR RECORD

- ✓ Kept FREE car parking in our town and city centre car parks - supporting residents and businesses and the health of our High Streets
- ✓ Worked with the Police on a new Road Safety enforcement role to control illegal parking and speeding
- ✓ Built new commuter car parks near railway stations
- ✓ Kept the cost of parking in the out of town commuter car parks low

### OUR PROMISES

If you re-elect us in May we will:

- ▶ Keep car parking FREE in our town and city centre car parks
- ▶ Keep the cost of the commuter car parks low
- ▶ Support the Police with communications about illegal parking enforcement and speeding

**Use your VOTE on 4th May - VOTE to keep car parking FREE**

## **AFFORDABLE homes for local people**

East Cambs Conservatives support genuinely affordable homes that are reserved for local, working people with ties to their community - the very people that are so often shut out of the housing market. The Lib Dems have worked to undermine Community Land Trusts and voted against £100k Homes for East Cambs residents.

### **OUR RECORD**

- ✓ Supported Community Land Trusts - new genuinely affordable homes, owned by the community, reserved for local people with the strongest ties to their community
- ✓ Secured '£100k Homes' where local people have been able to buy their first home for a flat rate of £100k for a 100% freehold
- ✓ Refurbished old MoD houses to create new Shared Ownership homes reserved for local people with the strongest ties to their community

### **OUR PROMISES**

If you re-elect us in May we will:

- ▶ Continue to support new and existing Community Land Trusts across the district
- ▶ Continue to deliver new forms of affordable housing, like £100k Homes and First Homes
- ▶ Deliver more new affordable homes through East Cambs Trading Company
